

HEADQUARTERS
DETACHMENT 10 - 10
APO 289, NEW YORK, NEW YORK

1 September 1956

Dear Mr. Bissell,

Attached to this letter is an application for a direct appointment
in the USAFR for [REDACTED] our Materiel Officer.

You will recall at the conclusion of the USCM I urged strong support
for this action. [REDACTED] would be a highly trained addition to our
officers' ranks and is deserving of the added prestige.

Therefore, I request your most ardent support of this application,
even so far as direct liaison with the Air Staff. Certainly if Master
[REDACTED] can be recalled by the Project we should be able to obtain
a better status for [REDACTED]

Sincerely,

[REDACTED]

COL, USAF
Commander
